The above subject matter refers.

I, **KABIR ORIOLA OLADIPUPO** hereby present a petition against one **DAVID OLADEJI, MOJEED OYEDEJI AND SAHEED** with the phone number 08039540050, 07065363100 and 07065150418 respectively who had repeatedly criminally defamed my person and peddle falsehood against me with a bid to incite the member of association (**UNIOSUN ALUMNI ASSOCIATION**) which I superintend over as the president.

Sir, **DAVID OLADEJI** has at several occasion on the Uniosun Alumni whatsapp platform that has over 1000 participant referred to me as fraud, incompetent to lead and alleged I obtained my University degree by purchase and not through academic rigour, David further alleged that I do mobilized thugs to one of the congresses that we held. An allegation that I only not find criminally defaming but false.

Equally sir, **MOJEED OYEDEJI** acting under the impulse of **DAVID OLADEJI** alleged that I have squandered the association money to the tune of over Eight(8) Million Naira, an allegation which he has failed to substantiate despite call to substantiate same.

Sir, not far away from that, **SAHEED** referred to my person as fraud, thief with no fact to substantiate those allegation.

Respectfully sir, these trio has said on the whatsapp platform to cause violence and unleash mayhem on members during the Annual General Meeting Scheduled to hold 29th day of April 2023.

It is based on the complaint laid above that I present this petition to avoid break down of law and order in our association by this person and also help restore my character which has been criminally defamed by these three individuals.

I am confident that your organization will do justice in this regards.

Thank you

Yours Faithfully,

Oriola Kabir Oladipupo
